  - 3,000,000 safe work hours without a lost-time injury

## Knowledgeable, Reliable, Experienced—and Driven by Exceptional Customer Service.

For close to four decades, PPM has been providing clients with innovative industrial mechanical, electrical, and civil construction services. The knowledge our expert technicians have gained from providing decades of plant facilities services gives us the ability to help advise clients on a number of plant maintenance and plant profitability issues.

When customers need a vendor to maintain their industrial boiler, or a partner to handle all their industrial mechanical construction services, PPM has the experience and knowledge to provide a solution that meets even the most challenging need. From sheet metal design, fabrication, and installation to custom welding services, our mechanical construction experts can help solve virtually any mechanical problem.

### Successful Outcomes. While Managing Costs.

From assembling and maintaining process and conveyor equipment to rebuilding and aligning pumps and valves, PPM strives to complete each task correctly and safely, all while managing costs and risks. Our top-level management also helps ensure the success of each job by monitoring and implementing proactive processes and procedures.

### Mechanical Construction Services. Second to None.

- » Boiler maintenance and construction
- » Package, power, and cogeneration boiler repair
- » Manufacturing process machinery design-build services
- » Conveyor equipment
- » Mechanical piping and pipefitting services
- » Pump rebuilds and alignments
- » Valves
- » Conveyors
- » Welding
- » Sheet metal design, fabrication, and installation
- » All related mechanical systems

**HUNDREDS OF PROJECTS.  
TEN MAJOR MARKETS SERVED.**

- » Pulp and paper
- » Chemical
- » Power generation
- » Mining
- » Food processing
- » General manufacturing
- » Heavy industrial
- » Petrochemical
- » Pharmaceutical
- » Tire manufacturing
